Thank you for enquiring about a Birthday party at Shortwood.

The party can be from 11am or 2pm to coincide with the start of our animal feeding tours. During the tour the children will be able to feed animals, hand milk a cow and hold the small animals. Weather and ground conditions permitting there will be a tractor ride around the farm. Birthday food will be provided at lunchtime or teatime. This will usually be in the form of sandwiches, cakes, crisps etc but can be altered if required. Please bring your own Birthday Cake.

The cost is £8 per child. Minimum of 6 children, no maximum number.

Two adults are admitted free (unless the children are under 5 and require a parent, in this case 1 adult per child is admitted free).

Further adults pay the admission of £7.00

In the event of children who have been invited but do not turn up on the day, we will charge £3 each towards the cost of the food if it has already been prepared.

Party bags can be provided.

We advise that when you send invitations you state that children should be suitably dressed for a farm!

If you require any more information please give us a ring on 01885 400205
